

## Golfers;

Are you ready for the 2010 golf season?? We are getting ready, and from the looks of the weather it may start on time this year! Obviously it's too early to tell, but last year was a very rainy, cold start to the season, so we will hope for the best in 2010.

Saturday, May 1, 2010 is the official opening date for the course and we will have mowed the greens several times and the fairways a couple of times by that date. Some of the bunkers are a little thin on sand due to the winter conditions, but Gary will have them full as he gets his staff on board! The greens came through the winter quite well, except for #14, which will take a little longer to recover. However, we don't anticipate the wait to be as long as last year.

While we don't have irrigation water for the course, the well is providing a sufficient amount to water the greens. Also the sprinkler system seems to have survived the winter with very few breaks. We won't know for sure until we put more pressure in it, but so far so good!

Most of the staff from last year is returning. Gary Kane, (Superintendent), Kay Maxwell (Food service), Sherry Weamer (Banquets), and Cheri Ellis, Sandy Sticka, Chelsea Lynde in the Pro Shop and Melissa Ladvala (Groups and Tournaments) will all be on board.

The Season Pass prices are the same as last year. Purchasing can be done over the phone at 406-446-3344 or be mailing/faxing in the order from below. The last day for the Early Season Pass Sale is April 30.

Men's League will start May 6th, so those hoping for a little moisture can count on rain that day or at least in the evening around 5:15 p.m.! Ladies' League usually starts the 1st Tuesday in June, so we will update you as that date approaches.

Weather permitting the Golf Clinics will start mid May and they will be posted on the web site and in the Pro Shop.

**Looking forward to seeing you on the course...Ken**

<b>2010 SEASON PASSES</b>	<b>Early Bird Price*</b> (until 04/30/10)	<b>Regular Price*</b>
Single	<b>\$489.25</b>	\$540.75
