Website News

Check out the web site! We are trying to make it much more user friendly and informative. Now that we can make updates and changes "in-house," the information and event listings should be much more current. We have added a lot of information so when you look it over please let us what you think! Golf on the web is at www.RedLodgeMountain.com/GOLF. From there you can get prices, events (clinics, tournaments etc) and anything else that is happening on the course, or the mountain.

Pro-Ams

The signup sheets are up in the locker rooms for Men's and Ladies' Pro-Ams. The signup sheet is up in the locker rooms for Men's and Ladies Pro-Ams. The next Pro-Am for the men that isn't full is June 7 at Briarwood. The Ladies first Pro-Am is Laurel May 21 (need 4 players). So take a look at your calendars and let me know if you want to play.

Season Passes

Our season pass response has been good and I think we will end up with a few more than last year. Saturday May 1 was the deadline for early season, but you're welcome to purchase any time by calling 406-446-3344.

Leagues

I would be amazed if Men's League plays this Thursday May 6th, but I could be wrong. We have had dinner whether we play or not in the past, but so few would probably play that we will do pizza if we need to! Kay wants some input on what meals to serve as she has to

make some changes and still provide the meals you like while keeping the cost down. She can serve Tri Tips for \$15 or meatloaf, spaghetti, etc. for \$10 or cut desserts and make it less...Let us know what you think.

We have had some inquiries about our Senior Men's League on Monday mornings and it can start anytime the weather warms up so let's plan on at least giving it a go at 9 a.m. on **Monday May 17**. If the weather is bad come in anyway and we will have coffee.

Handicaps

The course was rated this past summer by the MSGA. Your handicap here will initially go up as your index is compared to the higher slope. Please check out the [attached sheet](#) for details.

Maybe spring isn't here quite as soon as I thought...Ken
