RED LODGE MOUNTAIN WILL OPEN FOR THE 2021/22 SEASON ON FRIDAY, NOVEMBER 26.

Red Lodge Mountain will open with lift service via the Triple chair and the Magic Carpet servicing 3 runs and the learning area.

(November 22, 2021 - Red Lodge Mountain, Red Lodge, MT) – With favorable temperatures and snowmaking efforts this week, Red Lodge Mountain is prepared to open for the 2021/22 season on Friday, November 26.

“While the start of the winter season has been abnormally dry, thanks to the effort of our mountain operations teams we are pleased to open as scheduled on limited terrain.” said Jeff Schmidt, Red Lodge Mountain’s General Manager.

A total of 3 runs plus our learning area will be open and accessible from the Triple Chair and the Magic Carpet with early season conditions. “Our snowmaking and grooming teams will be working hard over the next week to allow us to open more terrain. Please check our snow report for updates.” said Jeff Schmidt. Please note that uphill travel is prohibited until snowmaking has been completed.

Visit our online store at redlodgemountain.com for lift ticket prices and availability.

Food service for opening weekend will be available in the Main Lodge and at the Bierstube, with the Bierstube hosting a whiskey and vodka tasting courtesy of Willie’s Distillery from 1:00 PM – 3:00 PM on Friday, November 26.

On Friday evening, the Red Lodge Roman Theater will be showing Warren Miller’s “Winter Starts Now,” with the doors opening at 6:30 pm.
