- Avoid tiny details in your artwork as the winning submission will be one that maintains its features when scaled down to fit the actual pass size. See the actual pass size below for reference.
- Please do not use graphite pencil in your artwork, and do not submit work with eraser marks.
- In order to ensure good visibility when we convert the artwork to a digital image, do not color or draw too lightly, and avoid the use of translucent colors. Markers and pens are a better choice than colored pencils.

The winning artist will have their artwork printed on all 2019/20 Child Season Passes, and will earn a FREE 2019/20 Child Season Pass.
